## Creation Origin

Since 1872, Normandin-Mercier Cognacs have been selected with the greatest care, then matured in our traditional cellars of the Château. The proximity of the Atlantic Ocean regulates temperature fluctuations which give our Cognacs fullness and temper.

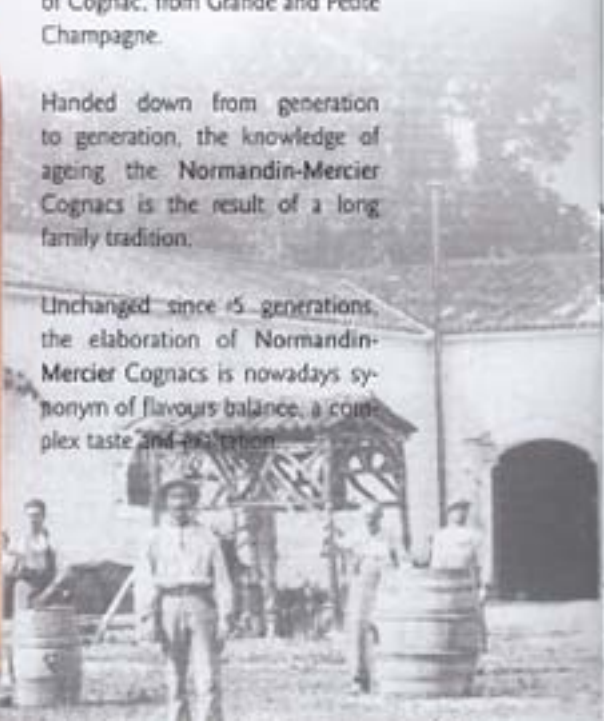

The special care devoted to each cognac makes it unique, rare and heavenly. Tasting today a very old Normandin-Mercier Cognac is a rare experience that allows you to know how it feels to be god blessed.

## A family Heritage

On the outskirts of the city of La Rochelle, in an exceptional location, wisely mature the best Crus of Cognac, from Grande and Petite Champagne.

Handed down from generation to generation, the knowledge of ageing the Normandin-Mercier Cognacs is the result of a long family tradition.

Unchanged since 15 generations, the elaboration of Normandin-Mercier Cognacs is nowadays synonym of flavours balance, a complex taste and perfection.

For All the Gold in the World

Petite Champagne VSOP  
70cl, 40% Vol.

Very Special Old Pale. This young and fruity spirit with subtle floral notes, sometimes honeyed, sometimes violet, has a dominance of dry straw taste, very slightly spicy with hint of liquorice.

Vieille Fine Champagne  
70cl, 40% Vol.

Our classic, subtle blend of the 2 best Crus of Cognac; the Grande Champagne brings a distinctive fruity taste whereas the Petite Champagne brings a floral and delicate taste.

Grande Champagne XO  
70cl, 40% Vol.

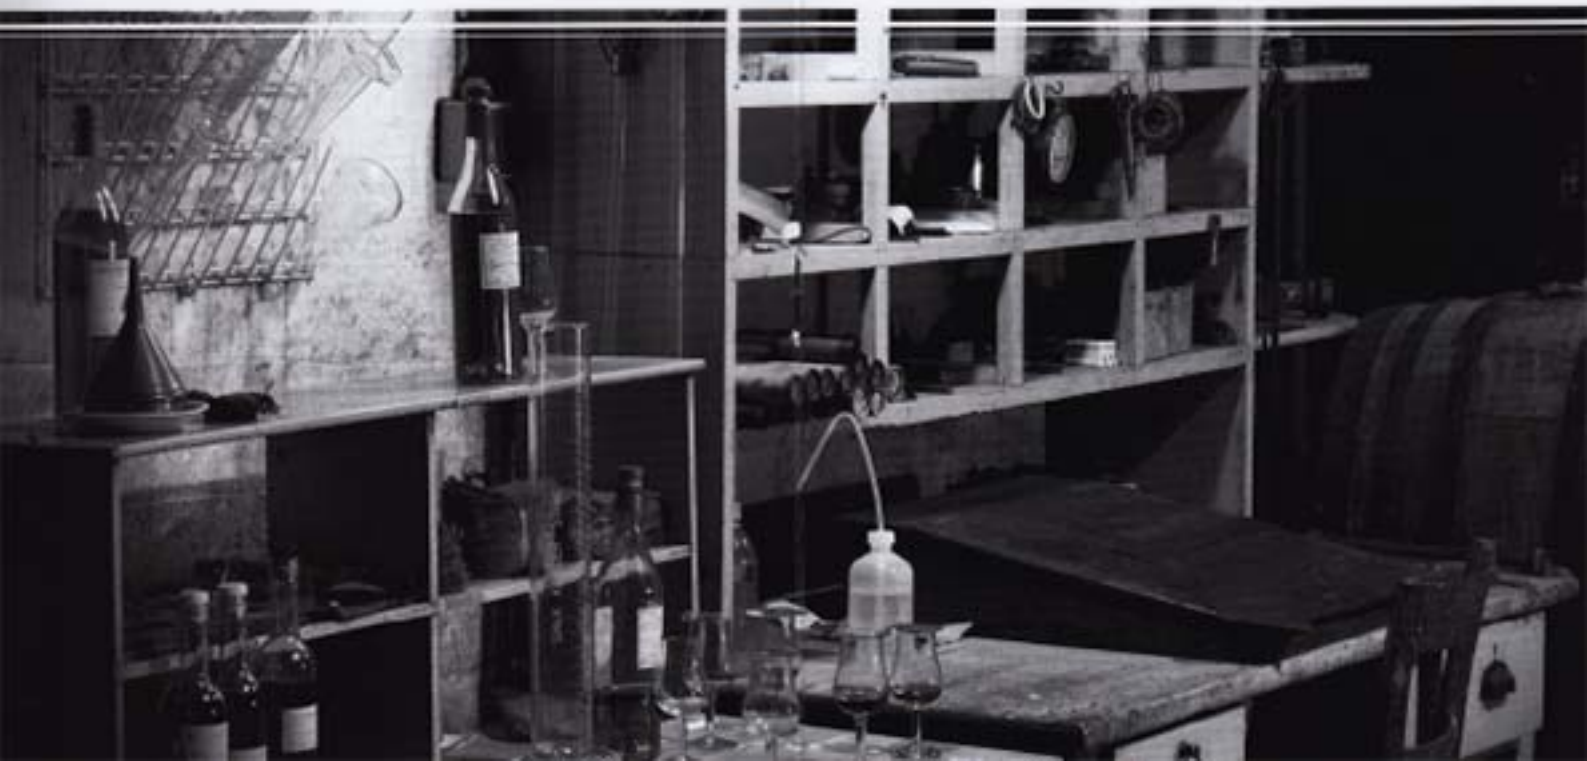

Extra Old Cognac: exclusively made with Grande Champagne and aged several decades, its complexity and in mouth long finish fully express the pride of Cognac Appellation. Indeed, spicy notes and "candor" only appear after long ageing.

Grande Champagne La Péroudière  
50cl, 40% Vol.

From our cellar, we have selected this "Premier Cru" of 1992 to celebrate the 140<sup>th</sup> anniversary of our family business. This Cask strength is called "La Péroudière" because of its maturation in century-old casks that are made from the oak trees at "Château de la Péroudière".

Limited series of 1000 bottles.

# ◀ Holding Time ▶

Petite Champagne Rare  
70cl. 48% Vol.

It is one of the most natural for cognacs of the range, with an outstanding long finish and concentration; a cork strength Cognac that will seduce connoisseurs. Intense entrepreneurial notes with a blend coffee and cedar wood taste.

Grande Champagne Rare  
70cl. 42% Vol.

An exceptional Cognac, patience and years have allowed this 1st Cru to attain smoothness and concentrate its aromas such as orange peel. It expresses the full elegance and long finish of the Grande Champagne.

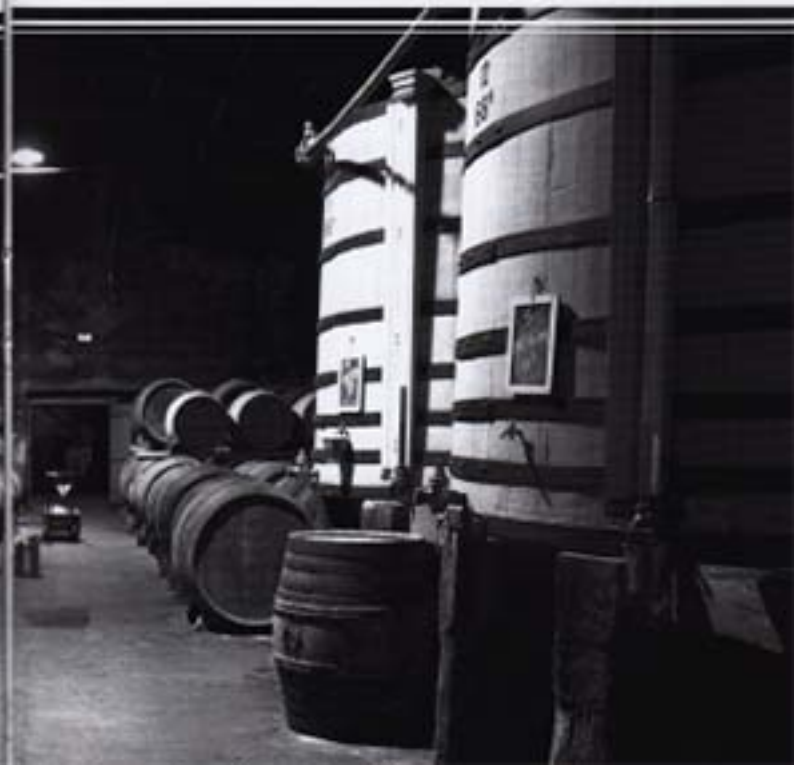

Petite Champagne 1976  
70cl. 43% Vol.

Although this rare cognac was harvested during the memorably dry year of 1976 it is enriched with an infinite aromatic concentration and richness. Each year the vintage casks are unsealed and fill some precious hundred bottles.

Très Vieille Grande Champagne  
70cl. 40% Vol.

This is a living example of the work of our founder, Jules Hennessy. It has been aging for over a century in our cellars. The bloom of its in-mouth aromas and its astonishing long finish make it extremely rare and deserves to be religiously enjoyed. It is a pure masterpiece.
